

(Clients of the Kidder Group are looking for people who can get the job done. For example, one client had approximately 55% On Time Delivery and 45% accuracy rate in their distribution center. By adding one key leader, in 6 months they have gone to 100% accuracy and 99.94% OTD.)

Gary Tompkins served on the Board of Directors of APICS for most of a decade and served as the Chair in 2008. (he then took off to be Dad for his two young daughters) He understands Supply Chain Management at the granular level. Clients of the Kidder Group are looking for people who can get the job done. For example, one client had approximately 55% On Time Delivery and 45% accuracy rate in their distribution center. By adding one key leader, in 6 months they have gone to 100% accuracy and 99.94% OTD. These are the people that I represent, those that excel.

At The Kidder Group, Inc. rather than giving details of a position online, our focus is building long term relationships with professionals who clearly stand out in their field. Our process is very robust and starts with working with you to define your goals including geographical, compensation, culture, travel and technical aspects. Once we know what you want, we can overlay this with current or future openings. Rest assured we have a great relationship with the hiring managers or owners of our client companies. We know the details of the culture and the subtle aspects which will contribute to the success within a particular company.

If you will simply e-mail me your resume, I will commit to either calling or e-mailing you directly. You have my word that I will answer my phone personally. I always honor my word.

You can review the recommendations on my LinkedIn profile to see what people say about working with me.

Sincerely,

Gary Tompkins | President and CEO

The Kidder Group, Inc. | 25 Woods Lake Road; Suite 105 | Greenville, SC 29607
